

Romans 11:6 Also because (salvation) happens through God's kindness, then not through their good works. If that (is) true, then God's grace means nothing. (A) grace we don't deserve.

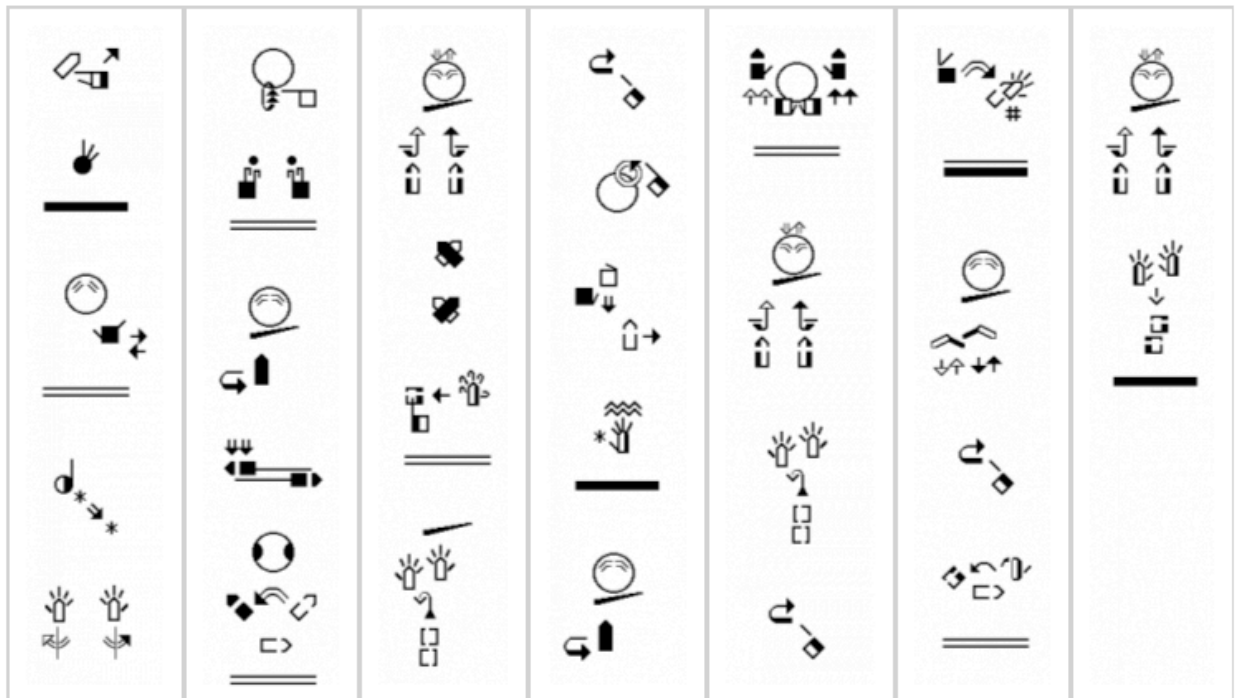

7. So here's (the) situation, most Israelite people, God His favor they searched really worked, but (did) not find. A few people (did) yes. People God already chose, but (those He) abandoned, their hearts, became hard.

8. Scripture says quote, God caused them (to) become asleep deep. Since their eyes He closed, so seeing (they) couldn't. Their ears He closed, so they heard not.

9. (Just) as, David already said quote, Their table (is) full let (it) become a snare, cause them to think everything is fine. Their blessings, let (it) cause them failure. Whatever they deserve, let (them) receive.

10. Their eyes, let (them) become blinded, then seeing (they) cannot. Forever let (their) backs bend.

11. God's people, (did it) happen (that) they really stumbled, (and) destroyed huh? No, they did not obey, so (the) people non-Jewish Gentiles), God finished making salvation possible (for) them. But God wanted His people (to) become jealous and claim (salvation) for themselves.
