

WHY DO PEOPLE STILL SIN?

Romans 6:10 For in that he died, he died unto sin once: but in that he liveth, he liveth unto God.

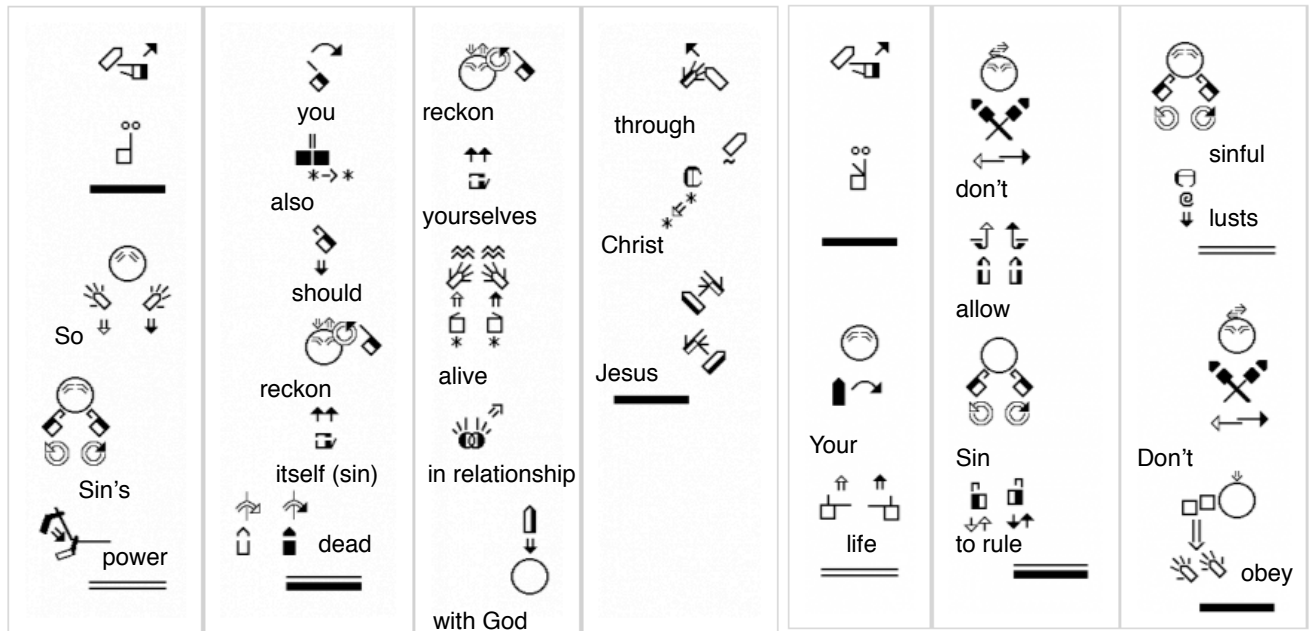

Here the theme is continued regarding the dominion of sin. Here sin is "personified" as some sort of authority who controls a person. God has not "taken out the batteries from the remote but He has taken the remote." We got our signals from God; we get our power from the Holy Spirit.

Does Jesus need to be sacrificed again and again?

11 Likewise reckon ye also yourselves to be dead indeed unto sin, but alive unto God through Jesus Christ our Lord.

12 Let not sin therefore reign in your mortal body, that ye should obey it in the lusts thereof.

"Reckon" think, consider, conclude, credit, the opposite of feeling. (My boss told me I had to work mid-nights. I feared him; I felt he had a right; but I had a Union book.) God's Book says that Sin has no authority over me, but I must speak up, pray, and exercise my rights.
